

# BIBLE & BEACH 2017

## Application for Financial Assistance

Deadline to apply is May 1, 2017

Because Southeast Christian Church (SCC) believes that this event is an investment into each student's relationship with Christ, SCC desires to help connect students in genuine financial need with available financial assistance funds. To apply for assistance, students must complete all the sections of this application and submit to the SCC Student Ministry team by the stated deadline. Applications will then be used to help determine the best course of stewardship for available financial assistance funds. The amount of financial assistance funds is limited. There is no guarantee of awarding assistance to each applicant. A committee will review applications, and applicants will be notified of awarded funds. Applicant identity and personal application information are kept confidential. **Please note, a \$25 deposit is required upon submission of this application. However, if you have previously registered online, this fee will be waived!**
